

Protecting What Matters Most

Complete Identity Protection

InfoArmor is an industry leader in identity protection. Our proprietary technology makes InfoArmor's identity protection more than enough to help fight 21st century crime. Your union, OPEIU, has paid for you to receive this benefit free of charge.

Features Include:

Privacy Advocate Remediation

Our Privacy Advocates are CITRMS® Certified experts in identity restoration. A Privacy Advocate will act as a dedicated case manager to act on behalf of the victim and resolve the issue from start to case completion.

Digital Identity

This interactive, easy-to-read report summarizes what a real-time deep Internet search finds out about a subscriber, offers a Privacy Grade and tips to better secure personal information.

Internet Surveillance

Internet Surveillance constantly monitors the underground economy and dark rooms to uncover compromised, sensitive information such as social security numbers, wallet items and login credentials including emails and passwords.

What Happens if I Become a Victim of Identity Theft?

If you become a victim of identity theft, your union, OPEIU, has paid for you to receive all features for PrivacyArmor listed below. You will continue to receive Privacy Advocate Remediation, Digital Identity and Internet Surveillance in your service package.

CreditArmor

CreditArmor offers an annual credit report, monthly credit scores, and monitoring of your TransUnion credit file for no additional charge. Activate these credit services in your online portal with our compliments.

Identity Monitoring

We monitor identities to uncover identity fraud at its inception. Now with High Risk Transaction alerts, more fraud is detected sooner, including unauthorized account access, fund transfers and password resets*.

Always Available 24/7

InfoArmor's strength is combining personalized customer care with innovative identity monitoring technology. When you contact InfoArmor with a question or concern, your call is handled by one of our specially trained and certified Privacy Advocates.

SocialArmor

We monitor your Facebook, LinkedIn, Twitter, and Instagram profiles to give actionable alerts of reputational damage including racist, violent, derogatory, vulgar, or inappropriate comments. Let us keep tabs on your digital footprint so you don't have to.

WalletArmor

This secure, online document repository makes lost wallet replacement quick and easy. Using state-of-the-art technology, we now include real-time card monitoring of the Underground Internet.

\$25,000 Identity Theft Insurance Policy

Protect consumers from the financial damages of identity theft with our \$25,000 Identity Theft Insurance Policy* for associated costs, legal defense expenses, and lost wages.

Solicitation Reduction

Guidance on how to limit exposure to fraud while reducing annoying calls, mail, and preapproved credit offers.

*InfoArmor strives to provide the most comprehensive identity monitoring; however, we cannot guarantee that all activity and transactions will be detected. In the event that we do not protect an identity or transaction that results in identity theft, we will provide restoration services in accordance with our terms, conditions and service.

*Identity theft insurance underwritten by insurance company subsidiaries or affiliates of AIG. The description covers a 12-month term and intended for informational purposes only and does not include all terms, conditions and exclusions of the policies described. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.
